## Royal Palm Charter School

### School-Parent-Student Compact for Learning

District and School-based Title I Parent Involvement Programs in Brevard County will strive to **BUILD RELATIONSHIPS** in order to create real family engagement for **every** child, every family, **every** teacher, **every** day.

This compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement. By linking learning, the school and parents will build and develop a partnership that will help our students achieve the state's high standards for the school year.

We will <u>Support</u> learning in the following ways...	<b>Staff Responsibilities</b>	<b>Parent Responsibilities</b>	<b>Student Responsibilities</b>
<b>Rigorous Academics</b>	Staff will commit to challenge and meet the individual needs of every student. They will strive to develop creative thinking and problem solving skills while maintaining a high expectation of student academic success.	Encourage my child to always try their best and ask for assistance when needed. Help with homework as needed and ensure completion.	Be a role model to my classmates and focus on completing my work to the best of my ability.
<b>Monitoring Student Progress</b>	Staff will set goals for each child and monitor progress of those goals frequently. Remediate and provide additional support as needed for a child to be successful.	Check students planner nightly and take home folders weekly to review work assigned and completed work. Check RenWeb to keep track of child's progress. Participate as needed in meetings relating to my child's progress.	Take ownership of my learning. Ask for help when needed and be proud of my success.
<b>Partnership: Be Involved</b>	Participate in school wide events and monthly PTO Meetings. Contribute to school wide meetings for PIP and SIP to support success of each student.	Participate in school-wide planning meetings, PTO meetings and school events as possible. Provide parent feedback as requested.	Participate in events and activities cooperatively.
<b>Communication: Stay Informed</b>	Be proactive in communicating students' academic and behavioral progress. Provide parents with frequent reports.	Communicate with the teacher academic or behavior concerns. Respond to communication from the school in a timely fashion.	Be responsible for bringing home announcements, notices, and my planner to share information from the school and teachers with home.
<b>Learning Environment</b>	Create a positive classroom community that gives students the opportunity to ask questions and be creative. Give parents access to the classroom to observe or volunteer.	Volunteer at the school, in your child's classroom as possible. Reinforce the importance of education at home and support the classroom environment.	Be an active member of the classroom community encouraging and supporting my peers and being respectful to my teacher.
