## STUDENT/PARENT CELL PHONE OR MOBILE DEVICE CONTRACT

Should a student not have this signed contract on file, he/she will lose the opportunity for a warning and have the cell phone privilege revoked for the remainder of the school year.

### **Maintaining the integrity of the learning environment is the top priority**

- Students will be permitted to have cell phones in their possession throughout the school day. However, cell phone use will only be permitted before the first bell and after the last bell of the day.
- Students **MUST** have their cell phones turned off during the school day and while being transported on the school bus; cell phones shall cause no disruption.
- During the expressed time when cell phones are allowed to be on and in use, students are encouraged to keep their phone on a "silent" mode, should that telephone option be available.
- Cell phones will not be visible during the school day.
- The only exception to the above policies is as follows: Technology including, but not limited to, laptop computers, cell phones, and personal digital assistants intended and actually used for instructional purposes will be permitted, with the teacher's permission and supervision and the permission of the administrator.

Should a student be observed using a cell phone, or a cell phone rings during the school day, discipline action may include but is not limited to a dean's referral and confiscation of the phone. Additionally, student abuse of this policy will result in the student losing the privilege to be able to carry a cell phone permanently, or for a period of time as determined by an administrator.

- Student behavior concerning cell phones must be consistent with the School Board Policy 5500.
- Student cell phones ringing in class will result in confiscation of the phone and disciplinary action.
- Should confiscation occur the phone will only be returned when retrieved by a parent or guardian.

During times of testing and other student evaluations, teachers may request that students remove their cell phone from their possession, either by returning to a locker or placing under a desk, reducing the possibility of compromised test security.

Fire drills, assemblies, or other school evacuations are considered cell phone blackouts. During such contingencies, there will be absolute ZERO TOLERANCE on cell phone use.
