

# 2019-2020 Brevard County Public Title I Schools

## Royal Palm Charter School

### School-Parent-Student Compact for Learning

District and School-based Title I Parent Involvement Programs in Brevard County will strive to **BUILD RELATIONSHIPS** in order to create real family engagement for **every** child, every family, **every** teacher, **every** day.

This compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement. By linking learning, the school and parents will build and develop a partnership that will help our students achieve the state's high standards for the school year.

We will <u>Support</u> learning in the following ways...	<b>Staff Responsibilities</b>	<b>Parent Responsibilities</b>	<b>Student Responsibilities</b>
<b>Rigorous Academics</b>	Commit to challenge and meet the individual needs of every student. They will strive to develop creative thinking and problem solving skills while maintaining a high expectation of student academic success.	Encourage my child to always try their best and ask for assistance when needed. Parents will also help with "Extended Learning Opportunities" as needed and ensure completion.	Be a role model to my classmates and focus on completing my work to the best of my ability.
<b>Monitoring Student Progress</b>	Set goals for each child and monitor progress of those goals during each grading period. Staff will also remediate and provide additional support as needed for a child to be successful.	Check students' "take home" folders/papers weekly to review work assigned, completed, and graded work. Parents will also check RenWeb to keep track of child's progress. Participate as needed in meetings relating to my child's progress.	Take ownership of my learning. Students will also ask for help when needed and be proud of their successes.
<b>Partnership: Be Involved</b>	Participate in school wide events and monthly PTO Meetings. Staff will also contribute to school wide meetings for PFEP and SIP to support success of each student.	Participate in school-wide planning meetings, PTO meetings and school events as possible. Parents will also provide parent feedback as requested.	Participate in events and activities cooperatively.
<b>Communication: Stay Informed</b>	Be proactive in communicating students' academic and behavioral progress. Staff will also provide parents with frequent reports to discuss student progress.	Communicate with the teacher academic or behavior concerns. Parents will also respond to communication from the school in a timely fashion.	Be responsible for bringing home announcements, notices, and my communication folder to share information from the school and teachers with home.
<b>Learning Environment</b>	Create a positive classroom community that provides students the opportunity to ask questions and be creative. Staff will also give parents access to the classroom to observe or volunteer.	Volunteer at the school, in your child's classroom as possible. Parents will also reinforce the importance of education at home and support the classroom environment.	Be an active member of the classroom community encouraging and supporting peers and being respectful to all teacher.
