Royal Palm Charter School
2018-2019 PARENT/GUARDIAN COMMITMENT LETTER

If your child is selected to attend Royal Palm Charter School for the 2018-2019 school year, Royal Palm Charter School strives to be a more aggressive educational program targeted at accelerating students at their individual level. We encourage students to go above and beyond the minimum and have higher expectations than what is regulated by state standards. We would be excited to welcome your child to our rigorous academic program.

Your signature below will serve as confirmation that your son/daughter if selected will be attending Royal Palm Charter School for the 2018-19 school year and we have your full support. Their registration will not be complete until all items of the registration packet are received. If your child chooses to attend our program, this letter must be received by the school prior to enrollment. There will be **no** exception to this.
